Zadanie 1. (0–6)

OTWARTE

Przeczytaj tekst. Kto to mówi albo robi? Wpisz literę: A, B, C.

A — Natalia: I've been revising since September. Every evening I do one past exam paper. If I make a mistake, I write it in a special notebook. My teacher told me that this method would help me remember.

B — Jan: I learn best when I'm moving, so I listen to English podcasts while I'm jogging. Last month I started watching series without subtitles. At first I understood very little, but now it's much easier.

C — Hania: I study with two friends. We meet in the library twice a week and test each other. If one of us doesn't understand something, the others explain it. It's more fun than studying alone.
