POLECENIE**Przeczytaj tekst i odpowiedz po angielsku.**

Zwróć uwagę na słowa łączące: however, one solution.

Phones Off in Class?

[1] More and more schools in Europe are banning smartphones during lessons. Teachers say that students are less distracted and talk to each other more during breaks.

[2] However, some parents are worried. They want to be able to contact their children at any time.

[3] One solution is to let students keep their phones in lockers and use them only after school.

magazine article · authored text

What are many schools doing?

What is one benefit, according to teachers?

Why are some parents worried?

What solution does the text suggest?

True or false: all parents support the ban.

What does „However” (paragraph 2) introduce?

1 Do you agree with the ban? Write one sentence.
