Tom has got a red ball. He plays in the garden with his dog, Max. One day the ball is not in the garden. "Where is my ball?" says Tom. He looks under the bed. No ball. He looks in the wardrobe. No ball. He looks behind the sofa. No ball! Then Max runs into the kitchen. He has got something in his mouth. It is red and round. "My ball!" says Tom. "Thank you, Max!" Tom and Max go to the garden. The sun is shining. They play with the red ball all afternoon.
